PRELIMINARY AMENDMENT

Prior to examination, please amend the application as follows:

In the specification:

Please delete the heading at page 1, line 1.

Please amend the title of the application at page 1, line 2 as follows:

-- SURFACE STRUCTURED LIGHT-EMITTING DIODE WITH IMPROVED
CURRENT COUPLING--

Please insert at page 1, before line 3 the following heading:

-- BACKGROUND OF THE INVENTION --

Please amend the paragraph beginning at page 1, line 3, as follows:

-- The invention concerns a light-emitting diode. In particular, the invention concerns a structured-surface light-emitting diode in which, to improve the uniformity of current supply, an electrical contact layer has a lateral structure by means of which substantially uniform coupling of the electrical current into the light-emitting diode can be achieved...--

Please insert at page 3, before line 16 the following new heading:

--SUMMARY OF INVENTION--

CERTIFICATE OF MAILING BY FIRST CLASS MAIL

I hereby certify under 37 CFR §1.8(a) that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated below and is addressed to the Commissioner for Patents, Washington, D.C. 20231.
